## Business Impact & Case Study

Turning Automation into Empowerment

PopApps helps enterprises achieve measurable gains in efficiency, engagement, and employee satisfaction - proving that smart automation can empower people, not replace them.

### New Media Services (NMS)

Transforming HR Operations

Featured Client

#### New Media Services Pty Ltd

Enterprise Communications Provider

A leading Australian communications company serving enterprise clients across multiple sectors, handling thousands of customer interactions daily.

#### Challenge

Manual onboarding, payroll delays, and data errors slowed HR and back-office operations.

#### Solution

PopAI implemented PopApps alongside AgentiX and Opera, creating a connected automation ecosystem

Within six months, NMS built a more agile, transparent, and motivated workforce - achieving scalable growth through people-centered automation.

#### Results

↗ **30%** faster onboarding

↗ **20%** increase in productivity

↗ **Improved compliance and reporting accuracy**

*"PopApps helped us modernize HR without losing the human connection."*
